

# CURRICULUM VITAE

## Prof. Gwomei Wu

Institute of Electro-Optical Engineering, Chang Gung University, Taoyuan, Taiwan

Telephone +886-3-2118800

E-mail wu@mail.cgu.edu.tw

Education PhD University of Delaware, Newark, Delaware, USA (1987-1990)  
MS University of Delaware, Newark, Delaware, USA (1985-1987)  
BS National Taiwan University, Taipei, Taiwan (1978-1982)

### Employment

- 2006-present Professor, Institute of Electro-Optical Engineering, Chang Gung University, Taoyuan, Taiwan
- 2010-2011 Visiting Professor, Dept of Materials Science and Engineering, University of California, Los Angeles, CA, USA
- 2003-2008 Director, Institute of Electro-Optical Engineering, Chang Gung University, Taoyuan, Taiwan
- 1999-2008 Director, Practice School Program, College of Engineering, Chang Gung University, Taoyuan, Taiwan
- 2001-2004 Director, Center for Cooperative Research, Chang Gung University, Taoyuan, Taiwan
- 1994-2006 Associate Professor, College of Engineering, Chang Gung University, Taoyuan, Taiwan
- 1991-1994 Senior Research Engineer, Western R&D, Dow Chemical Company, Walnut Creek, California, USA
- 1990-1991 Project Engineer, Product Development, Raymark Corporation, Manheim, Pennsylvania, USA
- 1989-1989 Visiting Scholar, ICI Wilton Materials Research Centre, England, UK
- 1988-1989 Teaching Assistant, University of Delaware, Newark, Delaware, USA
- 1985-1990 Research Assistant, University of Delaware, Newark, Delaware, USA

Research Interests: Materials Science, Nitride Semiconductors, LCD Display Technology, Photonic Crystals
